

49 Addiction, Abuse and Suicidal Thoughts

The contents of this book are the result of years of Internet ministry where I have used the principles in this book to successfully deliver people. Jesus is the deliverer; we are just His agent.

The Holy Spirit is your guide in deliverance and you are just a facilitator to help turn the focus and heart of people onto Jesus as their Lord. In His Lordship of your life is true deliverance. Whatever Jesus is Lord of cannot be used by or attacked by Satan without your permission and as it is your choice, God must allow it,

Abuse results from being incorrectly treated by another and can be spiritual, emotional, mental, physical, or financial in nature.

An addiction is anything you use or do on a regular basis, which is usually harmful to your health and which is used to compensate for emotional hurts or pain.

Suicidal thoughts are a result of demons trying to get a person to destroy themselves.

This booklet is for Christians or people who want to give their life to Jesus and/or who have been abused, have addictions, or suicidal thoughts they need to deal with.

I was shown by The Holy Spirit a framework of five biblically based steps that help you give everything to Jesus to be Lord of and which use this as the basis to remove Satan and all he has done to a person as well as heal any damage Satan did (in God's timing of course). Others have been taught these five steps and are using them successfully in their Christian life to live as they have desired too but were unsuccessful before they were taught this framework of five steps and went through deliverance using this framework.

These five steps are the basis of the deliverance prayers used in this booklet and are as follows:

Give the sin, area of moral weakness, circumstance, problem, event, or situation to Jesus to be lord of, as well as all that led to the area, event etc as well as the consequence of this event(s) as well as everything else to do with it.

Forgive all who have offended you including yourself, repent of unforgiveness, bitterness, root of bitterness, anger any wrong emotions or attitudes to others or yourself and of any sins you are bringing to Jesus.

Repent of any sin you are doing as that often also needs deliverance.

You may need to pray: *"Lord I forgive. Help me to forgive", or "Lord I give this sin to you"* and then give the sin a step 1 of the five steps.

Command Satan to go in Jesus' Name the Throne of Judgment as he no longer has a right to these areas as they now belong to Jesus,

In Jesus Name command healing and restoration of all the damage Satan did to you,
Ask Jesus to send The Holy Spirit to fill your soul replacing all the demons that have left

The two greatest hindrances to deliverance are unforgiveness (leading to anger and bitterness) and enjoyment of the sin leading to no desire to repent of it. The latter is dangerous as it can lead to the loss of our salvation.

What is an addiction?

An addiction is an incorrect coping mechanism for a hurt a person has received either from abuse or trauma. Remove the hurt and the coping mechanism is no longer needed and the addiction can be removed. This is done through the deliverance and healing Jesus offers everyone and this deliverance is the basis that is used in this book for dealing with the incorrect coping mechanisms and hurts that lead to addiction.

The process of addiction

A person has a serious emotional hurt caused in them as a result of abuse or trauma of some type. They cannot face this hurt so block it off in their memory. Demons hide in this blocked off memory as it has not been given to Jesus and correctly dealt with. They attack the person from these hidden nests in the soul of a person.

This is why addictions seem to be a stronghold in a person's mind because of the demons in their soul influencing their thoughts.

This results in a fear or feelings of rejection. Often self-rejection occurs as well as the person blames themselves for the situation which arose that led to abuse. The negative thoughts causing these wrong attitudes are placed in the person by demons but the person thinks it is their own thoughts and accept them as such and believe they cannot be free from it as they believe it is their own thoughts not realising demons are placing these thoughts in their mind.

Their self-esteem is battered and at times can become non-existent. The person feels worthless, useless, inadequate, and unlovable (even by God). This is because they think the thoughts are their own and do not realise it is from demons.

To hide the pain, they form a coping mechanism that leads to addiction. The more serious the hurt the more serious the addiction needed to hide or block the emotional pain.

The person believes nothing good can happen to them anymore and may even think of suicide or end up in a mental home.

The cause of the original problem, is demonic and only removing demons and all the hurts they use will remove the demons and the resultant addiction(s). The demons use the hurts to attack the person and cause the incorrect thought patterns that lead to addiction.

Once the demons are removed the abuser loses power over the abused as there are no demons in the abused to torment the abused.

Demons attack your mind by placing thoughts in it which you think comes from yourself. They are able to place these thoughts in you from either outside you or from blocked off memory hidden in your soul. These thoughts are designed to make you

think in the way demons want you to think which lead to their controlling your thoughts in some areas of your life.

At times the control is so great the person appears to be possessed but they are not. They are just overwhelmed with the demonic interference in their thought life.

A true Christian can never be possessed as The Holy Spirit is in their spirit so demons cannot enter it. But they can enter the soul so that the person is heavily demonised.

These fiery darts of Satan (the thoughts he tries to have our mind accept as our own) are designed to remove all worth from us and value so that we will believe God or others cannot love us or use us as well as make us ineffective in the battle between God and Satan and may even to lead us into hell. The moment we realise these thoughts are not ours we are free from them as we know we can fight them because they are thoughts from demons either external or internal.

We can use our delegated authority (Marl 16:17-18) to cast these demons into The Throne of Judgment and to stay there.

The process of addiction is from the inside

Jesus spoke of the house of a person so it is an actual place as demons can inhabit it (Mat 12:43-47). This house is your soul which appears to be in a different dimension or state as it is a place in the spirit world that demons can inhabit spiritually. I do not understand it but once you treat it as a real place then you realise what happens when an addiction occurs.

This not New Age. Satan is a copier so all he uses in the New Age he stole from God and perverted so there is often a Christian equivalent that The Holy Spirit can use to help you fight Satan.

What follows has been seen in the spirit world (under the guidance of The Holy Spirit) so is based on fact and has been proved through years of experience doing deliverance on people.

An abuse or shock occurs or an unrepentant sin reaches critical point.

Access is given to demons to enter the soul (house) of the person

If the shock or trauma is great then the memory of it is partitioned off and a room (for want of a better description) forms which is hidden from memory (remember it is rejected by the memory and blocked off as the person cannot face it) and in this room are demons hiding.

Demons attack the soul from this hidden view point (room) and place thoughts in the person's mind who think they are coming from their own personality and wonder why they are thinking these bad things. There may also be voices in the mind from demons and the person thinks they are mentally ill with bipolar personalities.

The person thinks they are terrible people or mentally ill because they think these thoughts and voices are their own, not realising that it is demons hidden in their soul doing these things to them!

The demons will try to get the person to sin and destroy themselves which is why addiction occurs or thoughts of suicide in bad cases of abuse and trauma. Often people follow these voices in them thinking they are their own and that is why you will hear someone say "*the voices made me do it*".

The solution is to use the delegated authority Jesus has given you to remove the original hurts and the demons and heal the damage that the demons have done in person in as well as telling them the truth of what happened so they know it is not them that are evil but demons in them suggesting evil things to them.

It is to be remembered that all sin was remitted at Calvary and all sin you have are or will commit was also forgiven there. As a result of this there is no more guilt, shame, or condemnation to those who follow Jesus as Lord and any of these you feel comes from demons so can be cast off in Jesus Name. Remember to ask The Holy Spirit to take their place or worse ones will come back and inhabit the vacant space in your house (soul) (Matt 12:45).

You do not believe the above? Then remember Jesus only cast demons out of people who called Him Lord and believed Him as their Lord. Jesus never cast demons out of people who did not call Him Lord except to free them from bondage so they could choose for or against Him (the Gadarene for example).

Jesus came to set people free and not to condemn them (Jn. 3:17). He quoted this as His mission statement (Is 61:1-2). He desires to set you free and will do anything He can to help you be set free. All you need to do is ask Him to set you free and make Him Lord of your life. The prayers that follow are designed for this.

Sometimes deliverance occurs and the person is still not free. This is because of the hidden rooms in the soul that are still there and which need to be dealt with before the person can be freed from these problems. Or the person is doing something that stops or hinders deliverance.

You can go to psychologist and psychiatrists all you want to but they will only treat the results of the demons in you. Until you remove the hurts and demons causing the problems you will never be healed fully.

Until you realise the thoughts are not from you, you will never be free from their influence.

Until you know how to remove Satan and fight him you will always be at his mercy, but we have the promise that God will never let him test you above what you can manage (1 Cor 10:)

Voices in the head.

God gives His guide, called The Holy Spirit, and Satan tries to imitate Him!

The Holy Spirit is one and usually places thoughts, impressions, images and even emotions in your mind. When He is speaking there is only person in your mind. You will know it is Him because you will have peace when He places things in

your mind. If you do not have peace or there are two or more voices or ideas inputting in to your mind at the same time then you know there are demons and not The Holy Spirit which need to be cast out.

Suicidal thoughts.

To get a person to suicide the demons must convince the person that:

- The thoughts that they are thinking are there own
- They really want to die
- They do not deserve to live or that life is not worth living
- There is no hope of anything better happening to them
- No one can help them in the situation

The demon needs to hide God's solution, which is the deliverance Jesus offers the addicted person.

People with these kinds of thoughts do not realize that three people can place these thoughts in their mind:

- The Holy Spirit
- Demons
- Themselves.

Once you realize the cause of wanting to die are not from yourself, but from demon you can use the framework of the five steps to remove them

The instinct of self-preservation is very strong as Satan must talk you out of this so you will accept his suggestion to kill yourself. So, whenever you get wrong thoughts in these areas use the five steps to send the demons to the throne of judgment.

The pray is that follow are designed to help you deal more fully and should be said.

The Actual Prayers

The sets of prayers that follow are designed to remove the demons in you through using the delegated authority Jesus has given you to do this and can be said by yourself. If you cannot pray the deliverance prayers then all you need to do is agree in your heart with the prayers as they are prayed by another.

Sometimes demons have such a hold they can prevent a person praying any form of deliverance prayers or make them so fearful of it they do not want to say the prayers or do anything that will deliver them so another needs to say the prayers for them.

The person listening to the prayers just needs to say or declare in their heart:

'Lord Jesus, I agree in my heart with these prayers '.

It is the heart that agrees and the prayers that are spoken are an expression of their attitude to God and their desire for deliverance.

So, all they need to do is to agree in their heart with the prayers of deliverance that are prayed by another on their behalf.

Deliverance is between you and God. The person praying for you is really a helper to guide you to turn your heart to Jesus in areas that Jesus is not Lord of your life. It is as demons are removed from these areas that as addicted person is delivered in the prayers.

These prayers aim to help you do this, to give your life to Jesus as Lord as well as deal with many things in your life and then to remove Satan as He no longer has a right to be in you.

Unforgiveness

Mat 6:14-15 For if ye forgive men their trespasses, your heavenly Father will also forgive you: But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.

Unforgiveness can result in you losing your salvation if you will not forgive someone. It does not mean you agree with what they have done but God is their judge and not you so you are to leave judgment to Him and do what He tells you to do about the situation which is basically:

Forgive them as He forgives you

Love them as He Loves them.

Remember unforgiveness, and its fruit (anger and bitterness) will hinder deliverance so ensure you meant it when you pray this part of the prayers that follow.

Offences against others

Mat 5:23-24 Therefore if thou bring thy gift to the altar, and there rememberest that thy brother hath ought against thee; Leave there thy gift before the altar, and go thy way; first be reconciled to thy brother, and then come and offer thy gift.

If you do not forgive others their wrongs against you God cannot accept anything you bring to Him until you are reconciled to your brother. God is a God of reconciliation and expects us also to be of a similar mind as Him and try and reconcile where possible.

Deliverance' Prayers

This section contains three prayers. The first is for re-dedication of your life to Jesus and may even be a salvation prayer for some. The second is for sexual or other types of abuse and should be said before the General Deliverance Prayers that follow it. All the prayers should really be said as they deal with areas that are different to each other and the abuse prayer does not cover everything the third prayer (the General Deliverance Prayer) covers.

Rededication to Jesus.

Before praying the 'abuse' prayer (the second set) it may be necessary to rededicate your life back to Jesus through the first set of prayers. This rededication declares you belong to Jesus and that you desire Him above Satan. From this basis, of declaring and desiring Jesus to be your Lord, deliverance occurs.

Father, Lord, in my pain and hurts I gave Satan a hold on me by accepting that his things were more acceptable than those of Jesus. I repent of wanting to die as I want to live and Serve Jesus. I repent of anything I gave to Satan and all I am addicted too and declare I reject what Satan offered me in the past and all I gave to Satan or accepted from him I now give to you Jesu to be Lord of.

Lord Jesus, I give you, my life. I want you to be my Lord and Saviour, to serve you as a citizen of your kingdom. I choose you and life.

Satan! you placed things on me without my consent so I command you In Jesus' Name to remove them all and all the consequences of them such as any walls, enclosures, or anything placed on or in me, around me or binding me as well as any demons associated with them in any way either in me or out of me.

Satan! I have given my life to Jesus so you have no right to me any more so you must go in Jesus Name to The Throne of Judgment and take your demons and everything you did to me to The Throne of Judgment.

I declare in Jesus Name I am healed of all the damage Satan did to me.

Holy Spirit fill completely me and take the place of the demons that have left.

Thank You Father, Jesus, Holy Spirit

Amen. I declare it to be so

Prayer for Abuse

I come to you Jesus, my Lord, my step-Brother, my Friend. I have been abused and hurt and need Your deliverance and healing touch.

In Jesus Name I forbid any spirit of darkness from in any way trying to stop me praying this prayer, from trying to block The Holy Spirit speaking to me, from trying to cause me to be fearful or from understanding God's Love and forgiveness towards me.

I give you my mind, thoughts, emotions, and attitudes Lord and in Jesus Name I forbid Satan from attacking or influencing them in any way.

Help me to have faith in You and Your Word and its promises of deliverance, restoration, wholeness, cleansing and purification and Your acceptance of me as I am, and not as I think I am. In Jesus Name I forbid any demon from blocking or hindering me in any way in any of these areas.

I know I must forgive those who hurt me (mention the names of these people). I also must forgive others who should have helped me but ignored my abuse.

I repent of every inordinate (wrong) affections/relationships of any type and of the idolatry they became to me

I repent of unforgiveness and forgive all the people who hurt me or allowed others to hurt me (name the ones you can). I repent of bitterness, any roots of bitterness, anger, and any other wrong emotions I have in me towards these people. I know that if I fail, I am not rejected by You but you still Love me as I am and wait for me to repent so I can be restored to fellowship with you as your Bible promises, happens when I repent. I repent and forgive all those that hurt me.

Lord give me the grace to forgive myself for all I have done wrong. I forgive myself by faith through Your Grace

Help me to do this, Jesus, as it is so hard. I want to repent in my heart and not just say it, Lord!

In Jesus' name I break every wrong soul tie I have. In Jesus' Name I command any demons that have used these soul ties at any time or in any way to go to The Throne of Judgment. In Jesus' Name I command healing on these soul ties as well as any other damage done by Satan to me and ask you, Holy Spirit, to fill me and take their place. My precious Brother Jesus, I give you all the events that hurt me in any way in these areas of abuse as well as the consequence of these abusive events. I give you my coping measures, any walls, or masks I have and repent of any hypocrisy that occurred, and I say to Satan:

Satan! These areas have been given by me to Jesus so you must leave them in Jesus' Name and go to The Throne of Judgment, and take all you placed on me, in me, over me or around me with you to The Throne of Judgment!

In Jesus' Name, Satan, I command you to remove everything you have placed upon me or in me without my consent, as well as any walls you have placed in me, all the consequences of these events and any demons that have used these things in any way. In Jesus' Name I command you all to go to The Throne of Judgment.

In Jesus' Name I command healing, and restoration of all I am emotionally, physically, spiritually, mentally, the heart of flesh be healed, the wounded spirit be healed, the sound mind restored, my personality, soul ties, soul, mind, memory, emotions, and all that I am integrated as a whole.

In Jesus' Name I command cleansing of all the pollution, impurity and uncleanness Satan placed on me and command these to go in Jesus' Name along with any demons associated in any way with these things. I ask You, Holy Spirit, to fill me, cleanse me and restore me.

Jesus, I give You my sexual desires and the ways I desire to fulfil them now or did fill them previously (if applicable). They are damaged and need Your healing. I repent of the wrong way I utilised sex to compensate and to give me pleasure.

Lord, I give you all my insecurities as I trust you. I am sorry for any time I did not trust you and repent of this and declare I will trust you as all you allow is for my good. You are my provider and my protector. Thank you, Jesus.

Lord, there is a vacuum in me that you alone can fill. I give it to you and ask you to fill it Holy Spirit as I do not want Satan to be there. I want Jesus to be there. Thank you, Holy Spirit.

I give You my relationships to myself, people, and God as they are damaged and need healing. I also give You my fear of close, personal relationships with You or others. My love and emotions are damaged and I have incorrect emotions as a result of this. I give these and my love to You to be healed.

I give You my fear of man and my fear of authority, as well as any fear I have of You and any damaged relationship I have with You, The Father, and The Holy Spirit.

I give You the incorrect self-image, self-worth, and self-esteem I have. I give You my self-rejection, my fear of being unlovable and worthless as well as all the wrong attitudes and concepts I have in these areas and the other areas already mentioned.

Jesus, I give You my negative self-image as well as my (femininity/Masculinity) sexuality and gender, all the God-given gender roles You have called me to as either mother, father, sister, brother, wife, husband, or celibate servant of Yours (as applicable).

Jesus, my step-Brother, and my Lord, there are probably wrong attitudes in me I cannot face and which I have suppressed as they are unchristian. I give them to You now and repent of them as I do not want anything in me that is not of You or which hinders my relationship with You in any way.

So, I give You all I am, have been and will be to keep and protect as my Lord.

Satan, I have given all these areas, events, circumstances, and things to Jesus to be Lord of, so you no longer have any right to these areas or any part of my life. In Jesus' Name go to The Throne of Judgment and take all you did to me with you.

In Jesus' Name I command healing and restoration on my whole person, the heart of flesh healed, the wounded spirit healed, the sound mind restored, the emotions, memory, personality, all I am healed, restored, and integrated as one.

Holy Spirit fill me, integrate me as one and anoint me to serve the Lord as He desires me too.

Lord takes the place of all that was removed and guide me to draw closer to you. Show me how to be led by Your Spirit so I can serve you as I desire.

Thank you Father for your Grace each day, that your mercy is renewed each morning and that your loving faithfulness never changes whether I sin or not. No matter what happens nothing can separate me from your Love, forgiveness given at Calvary, Your Mercy, and Your Loving faithfulness to me.

Thank you, Jesus that my salvation does not depend on, whether I am good or bad but on my continually repenting (turning away from) of all that does not please you as well as trying to keep you as Lord of my life and that it is the relationship, we have that saves me and not any activity I can do. Thank you I am a child of The Father and a citizen of Your Kingdom with all the hopes and rewards you offer me.

Thank you, Holy Spirit, that You are always with me because You are in me guiding me and helping me each day.

I thank you Jesus that you protect me because I want to serve you and you not because I am doing anything wonderful for you and that your love for me does not depend on what I do but in who I am, a child of The Father He desires to have with Him in eternity.

I know all guilt shame and condemnation were removed at Calvary and all I feel now in these areas comes from Satan so in Jesus Name I command guilt, shame and condemnation go to The Throne of Judgment whenever I feel them.

I know all my sins were forgiven at Calvary so I do not need to ask for forgiveness as of sin as that has already been given to me at Calvary and all I need to do is repent and keep on trying to live as you want me to live.

I thank you Father that I am Your son/daughter and no one can take that away from me and that You are my Father who loves me gives me all I need. Help me to appreciate this please Father.

Lord, I know my experience of being abused will help me minister to others. Holy Spirit show me how to use my experience of being abused to minister to others so I can be used to free others as I was freed by Jesus so that they can be closer to Him.

Thank You, my Father, my Lord and step-Brother, and Holy Spirit my Guide, for accepting these hurts, pain and sorrows, healing and restoring me to wholeness.

AMEN! I declare these things to be so!

Satan will try and make you believe you are not delivered by raising many temptations you have been freed from but these will no longer cause you a problem as he is outside trying to get back in and not inside controlling things. The Holy Spirit will tell you what to do. The framework of the Five Steps should be used to defeat Satan for the first year of attack and not just casting off attacking demons in case there are areas rising from deep within you that need to be dealt with.

General Deliverance Prayers

A full deliverance prayer can be found at nevillesalvetti.com/PDF/DH.pdf It is lengthy and much longer but more comprehensive for deliverance from many other things.

Some helps for your Christian life

When Tempted

Satan cannot make you do anything you do not agree to do. He must deceive you into agreeing with what he wants you to do. So, the first line of defence is to reject what he offers. When you are attacked ask The Holy Spirit if you are being attacked from within you or outside of you. If attacked from within you then deliverance is needed. If attacked from outside of you then cast it out in Jesus' Name to The Throne of God to be judged.

I usually use the five steps when I am attacked as its safer by covering any need for deliverance.

Most demons have names that are foreign to us so it would be nearly impossible to cast them out by their names. As long as you can identify them by their activity then you can cast them to in Jesus' Name to The Throne of Judgment to be judged

If you are attacked in an area often or have a weakness you are having trouble overcoming then you probably have a need for deliverance in that area.

When you are tempted and feel you need deliverance use the following framework of the five steps Jesus gave me:

As it is a battle of kings you address the enemy king (Satan).

These five steps are the basis of the deliverance prayers used in this booklet and are as follows:

1. Give the sin, area of moral weakness, circumstance, problem, event, or situation to Jesus to be lord of, as well as all that led to the area, event etc as well as the consequence of this event(s) and anything else related to it (you do not need to name these things but just give them to Jesus).
2. Forgive all who have offended you including yourself, repent of unforgiveness, bitterness, root of bitterness, anger any wrong emotions or attitudes to others and/or yourself and of any sins you are bringing to Jesus.
Repent of any sins you do not want to give up and give them to Jesus as step 1
You may need to pray: *"Lord I forgive. Help me to forgive", or "Lord, help me to repent of this sin I do not want to give up."*
3. Command Satan to go in Jesus' Name to The Throne of Judgment as he no longer has a right to these areas as they now belong to Jesus and to take with him all he did and placed on you,
4. In Jesus Name command healing and restoration of all the damage Satan did to you,
5. Ask Jesus to send The Holy Spirit to fill you replacing all the demons that have left

If there is no need for deliverance then tell any demon attacking you that you belong to Jesus and to go to in Jesus' Name to The Throne of God to be judged, taking all, they did to you with them and ask The Holy Spirit to take their place.

Any emotion, altitude or feeling that is negative is not from God but is either a suggestion from a demon or a demon playing on hurts reactions (habits) in you.

Accordingly, you will either cast out a demon from inside you using the five steps or command an external demon to leave using steps 3 to 5 of the five steps.

Whenever I get any wrong thought sensation, feeling or emotion, I command the demons behind it to leave and go to in Jesus' Name to The Throne of God to be judged.

Remember that you do not need to know the name of the demon but only their activity.

In summary:

If the thought is from God, you obey it.

If the thought is from you ensure it is given to God or dealt with as He tells you to. It may also be a need for deliverance in that area.

If the thought is from Satan, reject it after determining if either deliverance is needed (demons inside you) or just casting out of the demon is required (external demons attacking) then do what you need to cast is in Jesus' Name to The Throne of judgment for God to deal with.

If the thought is external then the last three steps are only needed

The key is to take the activity, thought, emotion or sensation captive to Jesus (2 Cor 10:5). In other words, the demon placing the thought in your mind, sensation or emotion is cast to in Jesus' Name to The Throne of Judgment to be judged and dealt with.

Just resisting the thought does nothing. It is capturing the source of it that removes the demon and the temptation.

To deal with any demonic rooms (nests) that were not removed by a deliverance session, give the area etc. (step 1) to Jesus, then do the remaining four steps. You may need to ask The Holy Spirit what to give to Jesus as what is happening may be completely different to the original cause of it.

If you give the area etc, all the events leading to it and all the consequences of it to Jesus you should also catch the root cause. Sometimes a specific event may need to be repented of and if you cannot hear what it is from The Holy Spirit then find someone who can. But first attack Satan and stop him blocking you hearing The Holy Spirit and see if that allows you to hear what you need to repent of. It is does not then seek these people who can help you.

How does Satan attack?

Satan attacks you by placing thoughts in your mind, emotions on your personality or feelings/sensations in your body. He also tries to deceive you from the truth of a situation or distract you from what Jesus wants you to do.

Thoughts

Satan will try to tell you things are different to what they really are. He must make you accept his lies so he can use you for his purposes or hinder your being used by Jesus. He must convince you that something you have, you really do not have or something you really do not have, you have. If you are sane, he may suggest you have mental problems etc. He will often suggest the opposite of what you are in the hope you believe him and he can then mould your thinking as he wants too.

If you are saved, he will throw thoughts into your mind that question that to the stage you will wonder if you are saved. If you have been given a God given ministry, he will make you question that it is the correct one until you look elsewhere for the ministry, he suggests you should have. If you are sane, he may try and get you to believe you are mentally unstable etc.

He places emotions on you like sensual pleasure to try and get you to sin either sexually or other sensual ways or distract you from the self-control God wants you to have so that you sin and like the pleasures he has given you more than what God wants you to do.

He can place moods on you like fear, anxiety, and depression so that you do not have the joy of God and wonder what is wrong with you that you have these things for no apparent reason.

Remember, Satan does things subtly and will use doubt about things, especially the things of God to have you start to question the truths of God. If he can get you to do that, he can then either use you or hinder your walk with Jesus.

He must have you think a certain way so he can use it for his purposes and uses all he can to do this. This is why when you have anything negative in your mind you are to cast it in Jesus' Name to The Throne of God to be judged

How to Hear The Holy Spirit

It is important to be able to hear The Holy Spirit clearly s He is your guide to live as Jesus desires you to live and to fight Satan as Jesus desires you to fight Satan.

Remember Rom. 8:14, that to be an adopted child of The Father you need to be led by The Holy Spirit.

Preparatory Prayer

Lord, I want to hear The Holy Spirit so I can do Your Will and be guided to be Your follower and son/daughter by adoption. I give this desire to You and am sorry for anything I have done wrong in this area.

In Jesus' Name I command any demons that are blocking me from hearing and understanding the truths The Father, Jesus and The Holy Spirit want me to hear and understand to go immediately to the in Jesus' Name to The Throne of God to be judged. I ask You, Holy Spirit, to take their place.

How You Hear Him

Unless The Holy Spirit or Satan appear to you, they can only talk to you in your mind. When they are speaking it is as if they are your own thoughts or that you are talking to yourself. People often mistake this for a disorder as if there are apparently two personalities in them when demons are speaking audibly in your mind. Also, when The Holy Spirit is speaking, they usually think it is their own thoughts. So, you need to know who is interacting with you.

If it is not our thoughts then it is either The Holy Spirit or Satan placing them there. You can hold a conversation with the Holy Spirit or the demons representing Satan and ask them questions and they will answer if appropriate. Only answers from The Holy Spirit are 100% truthful. Demons will answer in a way that furthers their purposes for you.

You will need to silence your mind. You may have trouble hearing Him (The Holy Spirit) especially if you are in a place full of distractions or in a place where Satan rules. Remember, The Holy Spirit, has a still, small (quiet) voice.

He will place an impression, picture, or thought in your mind, give you an emotion, or even speak to you in an audible voice. You will know it is from Him as it will not cause you to fear. He may speak in other ways than these, but these are the normal ways. You may feel a check in your spirit which is a 'no.' If He does not reply it is

also a 'no,' so you ask Him the reason why He said no as He may tell you and you may find out more by this than by the answer you wanted.

The answer He gives will line up with The Bible, and you will have peace in your heart over it. Remember, God will not contradict His Word.

Remember that Satan will try and cause you doubt about what you are hearing then cause you to reason that it is wrong or impossible so that you believe you are not hearing correctly. He will also at times place fear or other wrong emotions in you to cause you to doubt God's Love, Control, Plans or Purposes for you to take away your trust in God and your Joy in Him and His things He has for you. At times Satan will block you hearing The Holy Spirit so you need to cast Satan out and stop him doing this and ask The Holy Spirit again. If you do not hear from The Holy Spirit, ask the following:

Are you in a place in which Satan rules so that the spiritual atmosphere is blocking The Holy Spirit?

Are you in sin and do you need to deal with it using the five points?

Are you to ask this question of The Holy Spirit?

If you do not get an answer, it may not be the time to ask

It may not be the time to receive the answer

It may not be an appropriate question to ask

Are you to command demons that are blocking you from hearing the Holy Spirit to leave in Jesus' Name?

Do you really want to hear the answer?

Are you seriously listening or just going through the motions of listening

The Holy Spirit is your Companion in this life, so it is necessary to be in continual communication with Him as He helps you to navigate the traps of Satan and do the Will of God.
