

## **Purposes and objectives**

These can be. stated in 4 simple precepts

1. Our objective is to know the Will of God
2. Our purpose is to do things the way He desires them done
3. We need to know and understand what He desires us to do as well as how to do it
4. We should do it out love for and appreciation of what God has done for us

## **Note**

What is not done for God will benefit Satan in some way

You alone will give account for how do dealt with God's purpose for your life,
