Foreword

The ministry of Jesus consisted of evangelism, deliverance, spiritual warfare and discipling the disciples. Anyone who says Jesus is their Lord and thus their example should be doing these things, resting from them or learning about them.

If you are not doing any of these then you are not following Jesus but a pale shadow of what He did and may even not be a Christian.

So it is imperceptive to do these things as these are His works His people need to be able to do when Jesus asks them to do them.

This book teaches you about deliverance and spiritual warfare in a way that you will not have an excuse for not doing them in future.

The Five Steps

These are the basis for the deliverance method Jesus showed me as well as how He showed me to use them to fight Satan.

Background to the Five Steps

The five steps are based on the fact that anything given to Jesus becomes part of His Kingdom so Satan has to leave it and cannot fight Jesus to stay on control of it or use it so has to go when commanded to in Jesus' Name. This is why every day we should give everything to Jesus to be Lord of.

For years I practised deliverance the traditional way: finding out background information on the person (often intrusive and very personal because I had to find out what sins they had done). fighting demons, either individually or in families and both on and off the Internet I saw much deliverance and some healing. But the deliverance exhausted me from all the typing. So I asked Jesus why it was not as easy as when He did it.

The Holy Spirit gave me understanding of why Jesus was able to deliver as He did and I started to apply this to the Internet ministry that I had been given at that time. The method had been there all along in James 4:7.

Give it to Jesus to be Lord of and Satan has to leave when commanded to do so in the Name of Jesus.

Overnight the ministry changed. I no longer needed to know anything about the person, either their history or sins; Jesus knew them already. Healing of the soul and deliverance occurred more completely with lit-

<Book Title>

tle energy needing to be expended. What used to take weeks could be done in an hour or less at times or even minutes.

There is still follow-up deliverance on these people, but nothing as intensive as it used to be. Full deliverance may still require a few sessions, but I do not need to get life histories or work through all the sins of a person, saving hours and lots of embarrassment, especially where sexual sins are involved. All I need to find is the area (weakness) needing deliverance and no longer their individual sins.

You may need to discuss areas of sin at times but not individual sins. So you may need to discuss sexual problems but not the details. You may need to know they were unfaithful or had premarital sex so you can pray properly for them but not every time they slept with someone or committed adultery or even the type of sexual sin. The weakness and its cause is to be dealt with and not the sins as these have already been forgiven at Calvary and all the person needs to do is to repent.

We are told in James 5:16 to deal with the weaknesses that allow us to sin and not the sin itself which is a result and not a cause. Jesus has already dealt with the and their spiritual effect on us when He died at Calvary.

I was shown five principles which I use constantly and which I teach the people whom Jesus uses me to guide in deliverance. I call these The Five Steps. They are taught to use these principles to do deliverance on themselves and also to fight the devil when he attacks them, as well as to help others to obtain deliverance. There is no need for the person seeking deliverance to know anything except Jesus as their Lord of all as well as His Authority over Satan, and to give Him their problems and weaknesses, repent of any wrong attitudes or actions (sins) and to forgive all who have offended them.

A new Christian can lead people in the prayer of deliverance as can a

child. All they need to follow Jesus as Lord and to understand their delegated authority and even then it is Jesus that delivers not the person so even then a proper understanding of this is not necessary as Jesus honours His delegated authority used correctly and the heart of the person seeking deliverance and not the person saying the prayers for another. In fact they are not even necessary as deliverance is primarily between them and Jesus.

It is what the person having deliverance believes that matters and not the actual act.

The Five Steps are a framework (principles) on which to base prayers used for deliverance and to fight Satan. They are not a rote prayer or magic formula so should not be treated that way but are an expression of the lordship of Christ over all things.

Jesus gave us authority over demons (Mark 16:17), but we must live the lifestyle that allows that authority to rest on us in order to be used in this ministry. Jesus also gave us authority over sickness in Mark 16:17 as sickness is part of the works of the kingdom of darkness that occurs after sin has happened. Satan can only do his evil to us if we allow him too (or in the case of children the parent or guardian allows him too) by allowing him to take control of a part of us thus placing it under the authority of his kingdom.

While deliverance and healing of the soul is immediate physical healing will occur when Jesus deems it is the best time for it to happen.

Satan can only get you to sin if you accept what he is suggesting you do. It is not thinking about what he suggests that is the sin. The sin is actually deciding to embrace it or to do something about it even if nothing actually happens in the physical. You have accepted the thought in

your heart so that Jesus us no longer Lord of that area. The fact you desire in your heart to do it is all that is needed for sin to occur. Remember that Jesus looks at the heart attitudes and not what you do.

Mat 5:28 But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.

Pray the following prayer

Satan has sent demons to try and stop people saying the five steps so you need to pray:

In Jesus' Name I forbid any demon from blocking or attempting to block me from saying the five steps whenever I am attacked in any way by a demon or I am using them to help another fight demons.

In Jesus' Name I command any demon doing so at any time to go to Jesus, to take with them all they did to me and to be severely punished.

I ask you Holy Spirit to take their place.

Thank You Father, Lord Jesus and Holy spirit.

The Five Steps to Victory and the reasons for them

These steps are not to be said as a magic formula as they are not one. They are only a framework of principles to use. They are a giving in your heart of these areas to Jesus for Him to be Lord of repenting of any wrong done in these areas, removing Satan from them and all the damage he did in these areas.

First I give the step and then the reason for the step.

Step 1. Give the area, weakness, circumstance, event, oppression, sin or

temptation to Jesus to be Lord over it, along with all the events leading to these things as well as the consequences resulting from these things and also anything associated with them.

What Jesus is Lord over, He can help you with and protect, so that Satan can not use it against you. When Jesus is Lord of an area of your life Satan cannot use it to try and convince you to sin as you do not want to accept what he offers. To control any area Satan needs to deceive you in some way so that you will accept his control over it.

Step 2. Repent of any wrong attitude in you, either known or unknown to you, or any wrong thing done by you. Forgive all those who have offended you as well as of repent of any bitterness, root of bitterness anger and wrong attitudes in your heart (whether you know of them or not) towards anyone (including yourself).

Repentance is a turning away from the things of Satan to the things of God and is a confirmation of your decision to give Jesus Lordship in that area repented of. Repentance is usually of a blanket type when using The Five Steps and does not need to be specific (unless specific things are being given to Jesus or The Holy Spirit calls specific things to your remembrance). It is the heart attitude that is important not the words.

It is necessary to forgive others or The Father in heaven cannot forgive your sins and you do not go to heaven. If you keep bitterness, root of bitterness, anger or any other wrong attitudes in your heart you are in unforgiveness.

You may have to pray *“Lord I forgive (name the person). Help me to forgive them please”*.

Remember to forgive yourself also as many people forget this and Satan can use it against you.

Step 3. Command Satan in Jesus' Name to leave the areas or things given to Jesus to be Lord of and to go to The Throne of God and be severely judged and to take all he has done to you with him.

It is a battle of kings, so you address the enemy king and tell him to leave control of the territory (in your soul) that has just been given to Jesus, otherwise he will not go. That is why prayer alone is ineffective, as it still leaves the demons around since you have not commanded them to leave. As the area is delivered from the control of the kingdom of Satan all that is in there of Satan (demons, illness caused by them) must go.

Jesus has the prerogative to heal illness when it is best for the purposes of His Kingdom so if physical healing does not occur ask why and you may find it is a timing issue (for the purposes of The kingdom) or more deliverance/repentance needs to be done.

Deliverance heals spiritually but physical healing is a separate gift which is why it is mentioned elsewhere amongst the gifts of The Spirit. However, if an illness is demonically based then Jesus may heal its effects when deliverance occurs.

Step 4. Command healing and restoration in Jesus' Name and if necessary, the healing of the sound mind, the wounded spirit, the soul and the 'heart of flesh' given to you by Jesus as well as any integration that is needed of the personality because areas of the mind and personality were previously or soul blocked off and controlled or badly influenced by demons that have now been removed from these areas.

This removes damage demons have done to you.

Normally you just command healing and restoration in accordance with the Will of God.

Step 5. Ask The Holy Spirit to fill you and to take the place of any demon(s) that have left.

This replaces demons that left your soul (house) with The Holy Spirit. Our spirit is filled by The Holy Spirit, so demons cannot get into it, and they complain about this bitterly. Our soul (house) is where demons live, so as they leave, you need to replace them with The Holy Spirit. If you do not do this, seven worse demons will replace them very quickly along with the original demon and the person will be more worse off than before. I have seen it happen!

The Five Steps are all based on Worship

Step 1. We give these things to Jesus because He is worthy and can deal with them in a worthy fashion. We love Him and thus worship Him by trusting Him with the things we give him. We also declare He is Lord of all as we do this and by this that He is greater than Satan.

Step 2. We repent (admit we have fallen short of His standards) and by this worship Him showing that we consider His values more worthy to follow than our own values and purposes and that we desire to live according to His standards.

Step 3. He is more worthy than Satan having defeated him by His sinless life as well as His death at Calvary, so Satan must do what is

commanded in the authority of Jesus (as he and his demons are now ‘spoils of war’ and the prisoner of Jesus). By using the authority Jesus has delegated to us over Satan, we show we consider Jesus to be more worthy of worship than Satan.

Eph 4:8 Wherefore he saith, When he ascended up on high, he led captivity captive, and gave gifts unto men.

Col 2:15 And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.

Step 4. Jesus is worthy to be worshipped as He has authority over the entire natural world as well as the spiritual world so He can command healing of body, As an act of worship to Him we command these healings in His Name in accordance with His Will.

Step 5. We desire to be Like Jesus (as He is the most desirable person we know) and as an act of worship ask for His Spirit to take the place of the enemy that has been evicted from us so that His Spirit can guide us and mature us into the image of Jesus and demons cannot come back into those areas.

The basis of what to cast out in the framework of the five steps is the area to be given to The Lord for Him to be Lord of rather than fighting individual demons. For example, a person may have a problem with various areas of pornography. The person does not have to declare each area or sin they have problems with but gives the whole area of pornography and sexuality in his life to Jesus to deal with and be lord of. He will do a general repentance for the area of pornography in his life and not specific things unless told to by The Holy Spirit.

When a demon enters they invites others in so that there may be many demons. If you fight individual demons you need to remove them one at a time. If you give the area to The Lord then they all have to go when cast out from that area after Jesus is made Lord of it.

This is why you give areas, events, weaknesses, circumstances, agreements etc to The Lord so everything in that area is dealt with at once. You do not need to ask for forgiveness of individual sins as they were forgiven at Calvary so a general repentance only for the area is required. Such as:

Lord, I am sorry for all the things I did in this area (name the area) and will try to not do them again. I make you Lord of this area again..

Remember this can all be done in your heart so no one else knows but you, Satan knows what you are repenting of in your heart and that is what is important. Only the casting out commands need to be done and this can be whispered so only Jesus and Satan hears them.

It may be necessary to examine types of sins to determine the root cause so you know which area(s) to give to Jesus but usually it is not necessary to examine individual sins of a person to determine what the area is that is to be given to Jesus.

Jesus knows all our sins so we do not need to confess them individually but just the area of weakness they are in (James 5:16 says 'faults' not sin in the original). All Jesus asks is that we try not to sin in that area and if we do then we give it back to Him to be Lord of using the framework of the five steps (unless it is an external attack in which case

we use the last three steps) and keep on trying not to sin.

Note

The five steps are not a litany or magic formula you recite by rote but are a framework of five principles to use like a ladder. Each rung leads to the next rung and on each rung you place what is appropriate to that rung. The first rung is the one that varies according to the situation, and is based on giving the situation to Jesus to be Lord of. The next four rungs really do not change as they really do not need to change to meet the requirements of the situation being prayed about. The fourth rung (healing) may change a little according to the situation so next is listed some guidelines as to what to pray for when commanding healing.

What is usually commanded to be healed in Step fourth step is as follows:

Spirit: The wounded spirit healed

Mind: Memories, emotions, wrong habits, attitudes, reactions and the sound mind restored

Soul: Any fragmentation, secret rooms removed or any other damage there healed

The Soul, Spirit and body may need to be realigned at times, especially after long periods on pain killers or similar.

Heart: The broken heart healed and made whole restored

Personality: unified, integrated and made whole to counteract its fragmentation from hidden nests of demons That have been removed.

Body: Healed of the ravages of demons on it that have now been evicted

Whatever The Holy Spirit says to heal.

I just normally command healing in accordance with The Will of God.

Step five is the filling of the soul with Holy Spirit so demons cannot come back into it and is needed to seal the from new demonic habitation because there is no place for them to go into.

The house is full and there are no empty rooms..

I discuss more the five steps in the Spiritual Warfare Primer.

Introduction to Deliverance

Deliverance is a three part process:

You inform them what you are going to do

You do it (see the prayer following)

You teach them how to maintain their deliverance (The Five Steps)

What is deliverance?

Deliverance is the removal of the effects of Satan's attacks on you, whether they are internal affecting your behaviour or are external attacks trying to have you modify your behaviour in the way Satan desires it modified.

Is Deliverance real?

Jesus only cast demons out of people who called Him Lord and believed in Him as their Lord. Jesus never cast demons out of people who did not call Him Lord except to free them from bondage so they could choose for or against Him (the Gadarene for example).

So Jesus believed a Christian was able to have a demon.

Deliverance is a Lordship decision giving an area to Jesus to be Lord of then commanding Satan to leave it in The Name of Jesus because he no longer has a right to be there in it.

They were Christians who believed He was The Messiah when He did it so it shows Christians can have demons.

Deliverance – a simple statement and an example

This is the way Jesus taught me to do deliverance (using a simple Lordship prayer which mentions many areas because Satan is a legalist).

Unlike most modern deliverance methods you do not need to know anything about the person seeking deliverance. Not even their Name. Deliverance is between them and Jesus and you are only a guide so that they can tell Jesus quietly in their heart what they seek deliverance from and no one else need to know.

Deliverance is a result of a Lordship attitude where you are desiring Jesus to be Lord of an area of your life so Satan can no longer influence it in a controlling way so you can live a holy life.

James 4:7-8 states this clearly:

Jas 4:7 Submit yourselves therefore to God. Resist the devil, and he will flee from you.

Jas 4:8 Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded.

This verse shows you the cornerstone of deliverance.

By doing this what is given to Jesus becomes part of His Kingdom protected by Him. Satan has to fight Jesus for it (which He does not do) or convince you to give it back to him (which is why the battle is really for the mind).

This is why they do not manifest through you as they have to fight Jesus and not you.

So part of deliverance is being able to recognise and attack of Satan and whether it is internal (needing deliverance to fight it) or external (requiring only the casting away of a demon). You need to be able to hear The Holy Spirit so you know how to fight back.

Deliverance is really between you and God as you make Jesus the Lord of an area of your life so that Satan can no longer influence it and has to fight Jesus to regain control or convince you to give it back to him. This is why Lordship and the pursuit of holiness is so important as it stops Satan influencing you to give him back control of the area you gave to Jesus to be Lord of.

Joh 8:32 And ye shall know the truth, and the truth shall make you free.

You need to learn the truths of God that will help you in your Christian life as well as defeat the lies and half-truths Satan tries to have you believe. This is one reason to study The Bible.

Rom 8:14 For as many as are led by the Spirit of God, they are the sons of God.

You need to be led by The Spirit of God so He can advise you of the truths you need to know as well as how to fight Satan and defend The Kingdom of God. This is why you need to be able to hear The Holy Spirit as you go through the day.

When Jesus is Lord every attack of Satan will fail.

In James 5:16 we are told to confess our weaknesses not our sins and it is the same in deliverance. You give the area of sin (a weakness) to Je-

sus to be Lord so that every sin in that area is dealt with and not just an individual sin.

Jas 5:16 Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

Modern bibles have 'sin' instead of 'weaknesses/faults' because of Catholic influence on modern bible translations. This is to justify their act of confession but whenever Jesus delivered people sins were not discussed.

Satan was subtle. He could not stop deliverance so he:

Made it seem a difficult and a specialised skill requiring intense training and knowledge and Had people confess things to others instead of only telling them to Jesus in their heart (which is all they need to do).

Had them confess individual sins instead of areas of weakness so that only one sin or thing in the area was dealt with and not the whole area

Hid the fact that Lordship was the key attitude in being delivered.

Removed our authority to do deliverance from modern bibles (through lies saying it was not in the best codexes but it was and was removed from them before the Greek texts were published) so the only weapon we had against Satan was removed leaving us defenceless against him and apparently unable to do deliverance

You do not need to fight demons because when you give the area to Jesus to be Lord of it belongs to His Kingdom and Satan has to fight Him to get it back and not you and has to convince you to give him control of it again.

I give an overview of how this deliverance is done:

So give to Jesus to be Lord of an area of weakness in your life, which will know you need too because it has a sin you have trouble dealing with or because you are continually tempted in that area, which may result in sins you do not want to do. Give the causes, results and everything in you associated with that area for Jesus to be Lord of it.

Make certain you have no unforgiveness, or are refusing to reconcile with another or have a sin in your life that you do not want to give up. Sins you cannot give up but want to give to Jesus add to step 1 of the prayer above.

Command Satan to leave in the Name of Jesus what you have given to Jesus to be Lord of and to go to Jesus to be dealt with, taking all he did to you with him.

Command healing and restoration in Jesus' Name according to His Will in this area(s) given to Jesus to be Lord of

Ask The Holy Spirit to fill you so that the house (soul) is full and demons cannot come back in.

You should then give thanks to The Father, The Lord Jesus and The Holy Spirit for what they have delivered you from.

A more complete prayer is found on my website nevillesalvetti.com called a 'Lordship Prayer' as well a more fuller dealing with deliverance and spiritual warfare which are really two sides of the same coin.

I also have placed it further along in this document.

After deliverance Satan will place thoughts in your mind to imply you did not have deliverance. Lordship attitudes stop him persuading you to give the area back to him as this is the only way he can use it again. He has to regain the Lordship (control) of that area to be able to use it which means you need deliverance again in that area.

These thoughts may also mean you missed something you need to Jesus as step one of the five steps.

You will need to study spiritual warfare and be able to hear The Spirit clearly to know if the attack is from external demons (you sent to Jesus) or internal demons (needing deliverance)

God knows you will fail because you are not perfect and only asks that you wholeheartedly try to resist the temptation. As you do this you will succeed more and more and after deliverance the sin should no longer control you. If it still does then you need to find the access point Satan is using to attack you and you need to give it to Jesus to be Lord of using the five steps detailed later.

You will not go to hell for wholeheartedly trying and failing. You will go for not trying.

Just use the pattern above giving the area of attack to Jesus as the first step.

The actual deliverance prayer

This can be said in your heart so that no one hears what you are giving to Jesus

The Lord Jesus says in His Bible in 1 Pet 5:7, to give Him all your cares. That which causes you worry, anxiety, stress, all the hurts of the past, which takes away your peace, the sin you cannot seem to defeat, wrong coping mechanisms like: smoking, drinking, gambling: all that causes you distress and/or lack of peace in your spirit.

Remember that the giving of these things is only between you and Jesus, so you do not need to say them out loud, but only need to quietly give them to Him in your heart for Him alone to hear.

We use give a list of things so you can refer back to and check you have given them to Jesus. Satan is a Legalist and having a list like this removes some of his power over you by stopping him causing you to doubt any deliverance you have had in the areas listed. You can always go back and check the list to see if it was covered. It also helps you see what he is trying to have you accept by placing thoughts in your mind to imply you have not been delivered from that area.

The prayer.

Why are so many things mentioned? Satan is a legalist and may try to say you did not give this area to Jesus. But you can point to this prayer and tell him to go (cast the demon attacking you to Jesus).

Step 1

So give to Jesus, quietly in your heart, anything that troubles you. You do not need to name the sin(s) but just the area the sin, weakness or problem in you which you desire Jesus to be Lord of. All you need to do is to agree to completely give it in your heart for Jesus to be Lord of.

In James 5:16 we are told to give our faults (areas of weakness) and not our individual sins to others so it is also with Jesus..

Remember you give Jesus everything in the area so that things you do not know you have in that area or have done in that area are also given to Him along with anything associated with the area(s) you are giving Him. You do not need to mention individual sins but areas the sins are in as long as you repent of any sin that surfaces after deliverance so that you no longer do them.

For ritual abuse of any kind, trauma, abuse verbal and/or physical (e.g. of a spouse)

Lord I give you all the abuse and trauma I have had for you to be Lord of.

I give you the causes and results as well as anything associated with these.

I give you any divisions and hidden rooms these caused in my soul to be Lord of and integrate back as one soul

I give you any wrong contracts, agreements worship and knowledge which is not of your Kingdom.

I give you the causes, results and anything associated with these to you to also be Lord of because I desire you to be Lord of all my life.

So give to Jesus (that is relevant):

Your hearing of The Holy Spirit

Your relationship to The Father as an adopted child of His

Your relationship to Jesus as a citizen of His Kingdom

Your relationship to The Holy Spirit as your guide and guardian on earth.

Any Wrong attitudes toward God

Any Wrong attitudes toward others

Any Moral weaknesses you have

Any Sins or areas of sin you have trouble defeating

Any Loveless acts toward others

For speech problems

I give you all negative thoughts, fears, doubts, self esteem and self worth to you or to myself and anything that cause me to speak in a way that does not glorify The Kingdom of God.

Any Circumstances or events you are anxious or concerned/worried about.

Any Wrong emotions, habits, attitudes, reasonings, values or wrong coping mechanisms you have

Any Wrong imaginations, understanding, knowledge and learning or ways of thinking,

Any negative thoughts, fears, doubts, self esteem and wrong attitudes and values of self worth toward you or to Jesus and anything that cause me to speak or act in a way that does not glorify The Kingdom of God.

Your Self worth, self value and self esteem

All the failures and wrong things you did in my life.

Any Wrong worship and praise attitudes

Any Hurtful memories or trauma you have that cause you problems of any kind.

Any Wrong contracts or agreements you have entered into. (except those with the devil as you cannot get out of them)

All relationships you have

Any betrothal (engagement)

All social activities

Any marriage, family and any problems in that area

Employment

Ministry

Any Fear of Authority

Any Fear of Failure

All others fears

Any Self-rejection and low self esteem

Any mental illness you may have whether or not you know about it

Any wrong soul ties

Any curses over yourself from any source

Any wrong agreements or contracts or similar...whether or not you know you have made them

Astrology, horoscopes, palm reading, necromancy, fortune telling of any kind or any thing similar to any of these things.

Your Past hurts, traumatic events and other events that have hurt you in any way

Your Spirit, soul, body, mind, emotions, flesh

Any partitions in my soul or hidden things I do not know about

Your sexuality and its expression

Your Character

Your Attitudes

Your Objectives and purposes

Your Thoughts, daydreams and imaginations

Your Mind, body, emotions, will, soul - all you have been, are and will be

The way you serve Jesus and others

The area of any sins you have problems with and any sins Jesus tells you to confess (to make you more aware of their being dealt with in this deliverance)

Anything, in you or that you have done that is, not of Jesus or His Kingdom of which He is not already Lord of. Whether or not you know they are there,

Anything The Holy Spirit tells you now to give to Him for Jesus to be Lord of and to make certain you have not missed anything.

Give Jesus also the causes and results of all these things as well as anything else associated with them in any way then pray as follows"

General Repentance

Lord, Jesus, I want you to be Lord of all my life. I give it to all You, as well as anything that stands between You and me, whether or not I know they are there as well as anything above I have not given to you to be Lord of. Show me these things Lord that separate us so I can deal with them as you desire me to deal with them. I want to do Your will in all I do Lord, and I ask You to help me to do this. I give it all to you Jesus, for You to be Lord of so that You are Lord of all I am.

This can also be said in your heart so no one hears what you are giving to Jesus

Step 2

The Father in heaven says you are to forgive everyone who has hurt you in any way. If you deliberately do not forgive anyone who has hurt you, the Father in heaven cannot forgive your wrongs against Him. So you do not go to heaven (Matt 6:14-15). You do not get deliverance. You may need to pray as follows and in your heart name any people The Holy Spirit brings to your memory.

Jesus, I forgive all who have hurt me.

I also forgive myself for what I have done.

Lord! Help me to forgive those I have problems forgiving. So I can obey you fully.

Give any problems you have reconciling to another as this is usually caused by Unforgiveness or fear of man (or woman). You may need to pray: as follows:

Lord Help me to reconcile to those I need to reconcile too and to do what I need to do this.

The lord requires you to try to reconcile but they may not be interest in reconciling. As long as you have wholeheartedly tried to reconcile it does not matter if the other person does not want to be reconciled. It may be too dangerous to try but as long as you really desire to reconcile and are waiting for Jesus to make it possible you have satisfied God's requirements in this area. You may also need to repent of a sin you know you are doing as well as give it to Jesus to be Lord of.

You may need to pray in your heart:

Lord, show me what I need to repent of. I ask you to be Lord of it.

Then repent in your heart so only Jesus need hear

Lord I repent of...[name the sin(s) or area(s)] and I want to stop doing anything that I am doing that is wrong. Help me to do this so you can be completely Lord of my life.

You may need to give it as a new step 1 in this prayer before you go on.

Step 3

This can be whispered but must be said audibly even if you do it under your breath so that only you can hear it. Jesus and Satan will also hear it which is what matters.

Now command Satan to leave and go to Jesus and to take all He did to you with him:

Satan I have given all these areas of my life to Jesus to be Lord of. So you must go from these areas in Jesus' Name to the Throne of Judgement to be dealt with by Jesus. In Jesus' Name I command that you are, to take with you, everything in, on or around me or that you have done to me at any time

Demons do not manifest as they are fighting Jesus now in what you have just given to Jesus to be Lord of and not you so they know they have no chance of winning so do not waste their energy.

Step 4

This can be whispered but must be said

In accordance with the Will of God, in Jesus' Name I command healing of everything Satan did to me and In Jesus' Name I also command restoration of the sound mind and soul as well as all else that Satan took from me or damaged in accordance with your will for me Jesus.

Step 5

This can also be said in your heart so no one hears what you are giving to Jesus

Holy Spirit please fill me completely, refresh me and anoint me freshly to serve Jesus as an obedient citizen of the Kingdom of God, and member of The Body of believers on earth.

Step 5 was also mentioned by Jesus to a lady who went to heaven. It stops demons coming back into the soul in the areas they have been forced to leave.

The following prayer gives permission to Jesus to do whatever He needs to do for you without asking your permission and needs to be prayed only once or repeated only if The Holy Spirit says to do so:

You should also give everything you are steward of to Jesus using the five steps for Him to be Lord of so it is a part of His Kingdom and protected by Him.

Lord Jesus I give everything to you that I am and that I am a steward of for you to be Lord of so it is a part of your Kingdom. I ask you to clearly guide me how to use the things you have given me and in what I buy and sell so that I am a good steward of what you desire me to be steward of.

In Jesus' I command you Satan to leave these areas now and go to The Lord Jesus to be dealt with and to take all you did to me with you.

In Jesus' Name I command healing and restoration on all you did, Satan, in these areas and ask you Holy Spirit to cover them with your presence.

Thank you Father for giving them to me to be a steward of for you

Lord Jesus for protecting them

And Holy spirit for guiding me in the use and obtaining of these things

Holy Spirit fill me please

Thank you.

Amen!

Father, Lord Jesus, Holy Spirit, ministering angels.- I give you all permission to do anything you need to do to me or for me without the need to ask my permission to do these things.

Satan will try and convince you by placing thoughts or feelings in you or emotions you have that you have not been delivered. Just give these to Jesus using the five steps which form the basis of the deliverance prayer above.

Guilt, shame and condemnation come from Satan and not God as these were dealt with at Calvary so need to be given to Jesus to be Lord of using the five steps, The Holy Spirit does not give you these. He convicts you so and there is no shame, guilt or condemnation when He does this.

Who can do deliverance?

Any Christian who believes Jesus is Lord of and believes what He said in The King James Bible about casting out demons.

You do not need to understand why it occurs but only believe Jesus will do this if commanded in His Name with the right attitude toward what you are doing.

If you do not believe any part of that Bible (such as Gen 1-11 The Creation in six days, the fall, the flood) you cannot do deliverance because you really cannot say what else in The Bible is not correct and Mark 16:17-18, the delegation for us to be able to do deliverance, may not be correct

Any sex or any age can do deliverance as long as they understand the delegation to do it and how it is to be done. Jesus made no qualifications except that He must be their Lord, believe in His authority over Satan and to exercise it living a holy life He can honour them through enforcing His delegation..

If we had a part in the deliverance and not to just declare it then it would remove some of Jesus' Glory.

We are like heralds proclaiming the Will of The King which all must obey.

What attitude is required for deliverance?

All must be done in God's quality of Love for the person undergoing deliverance and not for personal gain or recognition of any type. The gospel is free so should be free.

Deliverance is the expression of God's Love toward a citizen of His Kingdom so must reflect His Love when it is done.

Evangelism is the expression of God's Love to those in Satan's kingdom.

All shame, guilt and condemnation were removed at Calvary so deliverance should never result in anyone being delivered feeling these emotions. The Holy Spirit convicts of sin and righteousness so these may occur during deliverance. If these emotions are felt then there is still a demon to deal with.

The basis of the prayer

It is a Lordship prayer based on the person's position in The Kingdom of God as a citizen of it and as a child of The Father. This means that only Christians can really pray this prayer unless it is a person seeking to become a Christian and only then after committing their life to Christ as their Lord.

The part that changes

In the first step things are given to Jesus to be Lord of.

We are told in James 5:16 to confess our weaknesses and not our sins so areas of weakness are given to Jesus to be Lord.

The causes, results and associated things that relate to that area are also given to Jesus to be Lord of and do not need to be individually named as Jesus works in principles and not legalistic rendition of actual things or sins. However The Holy Spirit may point out an area of sin to be dealt with but normally not a sin.

As you give the area to Jesus you pray *I also give all causes, results and anything associated with it to Jesus to be Lord of.*

The Name of Jesus

Every day the Name of Jesus is used in spiritual warfare. No one gives a second thought to the honour and privilege we have been given by this delegation.

A King does not delegate His Authority lightly. But Jesus has delegated to us authority over Satan and all His works and this is for a purpose: namely to destroy the works and plans of Satan.

A King does not delegate His Authority lightly so Jesus must think using this delegation is very important which means He must expect every Christian to be able to use it against Satan and his works.

It is to be noted that this is the only delegation we have been given so it must be important.

Every time it is used it must bring Glory to God and further His Kingdom or it is incorrectly used.

Jesus thought it must have been necessary for us to have this delegation to live the Christian life by using it to destroy the works and plans of Satan and defend ourselves against his attacks. So this means every Christian should know how to do use this delegation correctly and be using this delegated authority to fight Satan and destroy his plans and works.

So a Christian not using this delegated Authority has missed the whole purpose of it being given and really is at the mercy of Satan. You are fighting him and destroying his plans and works or doing nothing and are at his mercy.

The use of The Name of Jesus

Joh 14:13 And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.

Joh 14:14 If ye shall ask any thing in my name, I will do it.

We can only ask or command in the Name of Jesus if we are certain it is His Will. And then only if it is to bring Glory to Jesus and through this to The Father

If it does not bring them Glory then His delegation should not be used.

When we preach or minister Jesus we should not be seen. Only He should be seen as well as how He affects the listeners as a result of the ministry or action.

Deliverance – a Precis

What it is

It occurs as a the result of a Lordship decision to make Jesus Lord of all your life

It is removing Satan's influences on you and in your soul

It is a sign you desire to follow Jesus and belong to Him

It is removal of hindrances to your relationship with Jesus and The Father

Why do you need it

It removes things in and on you from pre-Christian life

It removes all Satan has in and on you in the areas given to Jesus to be Lord of

It is a witness to the authority of The Kingdom of God

It is a witness to Jesus being Lord of all including Satan and his demons

Attitudes required

You must believe Jesus can do it

You must desire to do it

You must desire Jesus to be your Lord

You must be willing to act on this belief

Our authority to do deliverance

It is not in modern Bibles – it was in it but was removed from these codices before these Greek texts were published

It is only in texts based on the codices for The Authorised Version and the Syriac Peshita

It is delegated to us from Jesus – the only delegation He gave us

It was given to us to be used or Jesus made a mistake in giving it to us if we did not need. it

How to do it

Use the five steps

It must be done in humility as you are only a messenger helping the person

Demons do not manifest when using the five steps so no histrionics occur

Glory should be given to Jesus and not to the deliverance minister

The Five steps explained

They are a framework

First step only changes

They are all a form of worship

Step 1. We give areas of our life or things to Jesus to be Lord of along with causes, results of these things as well as any thing associated with them. We declare by this that He is worthy for us to do this.

Step 2. We repent (admit we have fallen short of His standards) and forgive others as He told us too. We must remove unforgiveness, any sin we do not want to give up and try to reconcile with anyone we have offended.

Step 3. We command Satan to leave the areas or things given to Jesus and to take all he did to the person with him to the Throne of Judgement.

Step 4. We command healing on all Satan did and restoration (in accordance with the Will of God) of all Satan did to the person

Step 5. We ask The Holy Spirit to fill the person so that demons do not find the 'house' empty so cannot come back in to the soul (house).

What each step does

Step 1 Gives the area to Jesus to be Lord of so He can protect it for you

Step 2 Removes hindrances to Jesus delivering you

Step 3 Removes Satan and his demons and what they did to you

Step 4 Commands healing emotionally spiritually and physically (physical healing in God's timing and not ours)

Step 5 fills our house (soul) with Holy Spirit so demons cannot come back in.

When to use the five steps

Fighting temptations

Protecting objects you are steward of

Protection of plans and people

Must be for the purposes of The Kingdom for the Glory of God

After deliverance

Satan will attack in same areas you are delivered from to try to make you believe you are not delivered

You must help others through it and after it

Must do it to demonstrate The Kingdom and the authority of Jesus and that Satan and his demons exist

Doing it shows Jesus is Lord of all and that The Kingdom of God are real

It is a command of Jesus as is evangelism

Given to apostles and disciples not just to His future leaders (apostles)

Everyone must learn to do it (In My Name **you will** do these things)

It is a strategy to expand The Kingdom of God and demonstrate Jesus and it are real

The work of the citizen of The kingdom includes deliverance and removing Satan's influence on and in this world

It is not mentioned as a specialist ministry

The only qualification required is to be a Christian willing to do it and knowing how to do it

There must be a belief it can be done in the Name of Jesus

There must be a desire to do it

You must have been through it before starting deliverance ministry. (You do not teach or preach what you have not done or are doing).

In conclusion for this section

You either fight Satan, defend against him or go under and have a Christian life that God cannot really use and may even be one Satan organises in you because you do not believe he is suggesting things for you do so that you accept them as your own thoughts.

A Spiritual Warfare Primer

What is spiritual warfare?

Spiritual warfare is the fighting of the plans of Satan and removing his control over things. It is fought in the supernatural realm but may have its effect in the natural realm.

It has different expressions:

Fighting demons attacking you or something or someone else

Freeing people from the kingdom of darkness (Evangelism)

Removing the effects of the kingdom of darkness on people (deliverance)

Destroying the plans and working of Satan.

Protecting things or plans by preventing Satan attacking them.

By the very fact you live in enemy territory you are always facing the prospect of their attacking you so that you should always be in a state of constant alert being ready to attack the enemy (Satan and his demons) when they attack you.

Any negative thoughts, feelings or emotions come from Satan or are the result of a sin desire and need to be dealt with.

What are the qualifications of a spiritual warfare fighter:

They must be a Christian whom has Jesus 100% as their Lord living a holy life

They must fully believe in The King James Bible so they can believe wholly in the authority over Satan delegated to them by Jesus (modern bibles do not have this usually),

They must apply this authority (They must be willing to fight Satan and defend The Kingdom and its people).

Jesus stated no other requirements so any person of any age or sex who meets the three requirements can do spiritual warfare.

The delegation to cast out demons is not been given to us according to the modern bible that implies this is not in the original codices which is why you must use the King James Bible that still has this in. The delegation was in the 'better' codices but was written out before publication and the lie that it was not in most early bibles was promoted.

Young children can defeat Satan when attacked if taught how to do so as long as they know what they are doing. Use the five steps to do this.

Who is required to attack Satan?

Every Christian is to learn how to fight Satan and defeat him and his plans (spiritual warfare) as well as rescue people from his kingdom (evangelism) (Mark16:17-18, Matt 28:18-20). If you do not know how to attack Satan or defend yourself from his attack's you are at his mercy and are not following Jesus by ignoring two of His major Ministries..

They must know how Satan attacks:

This is so that they can realise when there is an attack of Satan.

How does Satan attack?

Satan can only have you do something if you let him persuade you to do it. Satan looks for weaknesses in you so when attacked you know you have a weakness in the area of attack and may need deliverance in that area.

You must accept what Satan offers you before you will do what he desires you to do and thus sin.

Satan attacks you by:

Placing wrong thoughts, imaginations and reasonings in your mind,

Wrong emotions and attitudes in your soul

Wrong feelings/sensations in your body.

Wrong desires in your spirit

Feeding you half-truths and errors about The Bible making you think they are from you.

He misquotes Bible verses to do this or half quotes them so the real truth in the verse is not shown.

He also tries to have you:

Become angry

Argue

React

Reason out something

Assume things

Be indifferent to another's needs (the opposite of Love is not hate but indifference).

Without checking the details and facts or what The Bible says about the situation.

This is so he can guide you in a situation through using wrong attitudes and habits he has moulded in you. Any of the above occurring shows a need for deliverance.

He tries to:

Deceive you from the truth of a situation using half-truths or lies or

Distract you from what Jesus wants you to do often using things that are good in themselves but are not what Jesus desires you to do for Him.

He has to persuade you to reject the Lordship of Jesus in an area so he can obtain authority over it. This is the only way he can obtain any authority over you.

The whole objective of Satan is to have you accept his values so that you will destroy the relationship you have with God. This is why holiness (the rejecting of all Satan suggests to you either directly or indirectly through external things) is so important.

Satan will try to tell you things are different to what they really are.

He has to make you accept his lies and misquotes of the truth so he can use you for his purposes or hinder your being used by Jesus.

He tries to make you believe that you cannot resist or fight him successfully so must give in to the wrong desire or attitude.

He has to convince you that something you have, you really do not have, or, that something you really do not have, you have. If

you are sane, he may suggest you have mental problems etc. He will often suggest the opposite of what you are in the hope you believe him so he can then mould your thinking, attitudes and habits in the way he desires you too.

If you are saved he will throw thoughts into your mind that question your salvation to the extent you will wonder if you are saved. This is why it is good to write the date you were 'saved' in your Bible so you can refer to it when you have these doubts placed in your mind by Satan.

If you have a God given ministry he will make you question that it is the correct one until you look elsewhere for the ministry he suggests you should have.

He places negative emotions on you like anger, lust and sensual pleasure to try and get you to sin or to distract you from the self-control God desires you to have so that you will sin because you desire the pleasures he suggests you more than what God desires you to do.

He can place moods on you like lust, fear, anxiety and depression so that you do not have the joy of God and wonder what is wrong with you that you have these things for no apparent reason.

He tries to get you to believe God does not Love you so that you will despair of anything good ever happening to you and give up hope of God helping you. This is why you must believe God is Love and works only for your good in all circumstances (Rom 8:28) even though we may not see the good in the situation at that moment.

He uses peer pressure from relatives, friends, authority and media

He will try to make you into something you are not but which seems better than you are at that moment.

God Loves you as you are

Not as you think you should be

And works with you where you are at

and not where you think you are at or should be at

And works with what you can do

and not what you think you are able too or should do

He give you all you need to do His Will

and not what you think you need.

Otherwise He would not be a God of Love

Remember, Satan does things sneakily and will try to raise doubt about things in you especially God's Love for you to have you start to questioning it.

If he can get you to accept his thoughts then he can then either use you or hinder your walk with Jesus.

He has to have you think a certain way so he can use it for his purposes and uses all he can to make you think this way.

This is why when you have anything negative in your mind or body you are to cast it out in Jesus' Name to The Throne of Judgement as Satan is behind it because God only gives us that which helps us live correctly. Otherwise Satan may obtain a foothold in you on which to build a stronghold in you he can use against you and God.

A stronghold is a set of attitudes Satan has trained you to accept as normal. The truths of The Bible and deliverance removes them from you.

Joh 8:32 And you will know the truth, and the truth will set you free.

What Satan suggests will give you a lack of peace. The Holy Spirit convicts and does not cause shame, fear, doubt, condemnation or guilty feelings so these need to be attacked when they occur.

Remember that, because they are placed by Satan in your mind, all strongholds are mental and need new ways of thinking to remove them which is where the truth of a situation will set you free from a mental stronghold of Satan.

If you do not accept Satan's thoughts, he cannot succeed in causing you to sin.

So the best defence is to command the thoughts, feelings, sensations etc, to go to The Throne of Judgement in Jesus' Name along with all they did to you and ask The Holy Spirit to take their place.

The Five Steps help in this as they ensure there is nothing in you in the area of your life that Satan is trying to use.

You must know how to fight Satan's attacks

You need to know how and when Satan is attacking so that you will realise you are being attacked and can deal with it. Satan will try to destroy you or make you unable to be used by Jesus. So you need to know how to fight him. One way he attacks is to make you so busy with earthly things that you do not have time for the things of God.;

Defeating attacks of Satan

The first way to deal with an attack of Satan is to just resist it. You will not sin if you reject all Satan asks you to do. He has to have you accept in your heart what he is suggesting you to do before you will sin.

Ignoring or Resisting the Attack

When Satan attacks you, you can ignore him and you will not sin. But the battle will not end as the demon will not go away but keeps attacking you.

This is why it is better to remove the attacking demon rather than just ignoring or rejecting what they say. This is because when the demons are removed the attack ceases until another demon comes to tempt you. And as the area of attack has been given to Jesus to be Lord of the new demon will have a much harder time attacking you in that area.

This is why it is preferable to use the five steps to remove the attacking demon and not just to resist or ignore the demon.

You also should punish the demons in the way The Holy Spirit tells you too because the demon has attacked a child of The Father.

It also helps to command in Jesus' Name that any demons replacing any cast out are to go to Jesus and be punished in the same way the demons they replace are being punished.

Satan shows you no mercy and Jesus told me to show them no mercy.

The Five steps are used when Satan is attacking you personally or things you are steward of (your God-given area of authority) so that you:

Remove the demon and the spiritual damage Satan caused to you (Deliverance) or anything you are steward of

Fight the temptations of Satan

Deal with weaknesses and fears in your life that lead to sin

To protect current or future activities by stopping Satan from attacking or using them (steps 1,3,5)

Remember that the five steps are used to remove demons and do any deliverance necessary in areas you are steward of while steps 3 and 4 are used for spiritual warfare for others and healing any damage Satan caused.

Remember also that Satan cannot make you do anything you do not agree to do.

He has to deceive you into agreeing with what he wants you to do.

So the first line of defence is to reject what he offers.

Then to use the five steps in case it is an area you need deliverance in.

If you know you do not need deliverance in an area then use steps 1, 3 and 5.

If it is in respect of an area you are not steward of (such as other people or events then name the area or thing you are attacking use steps 3-5 of the five steps.

Most demons have names that are foreign to us so it would be nearly impossible to cast them out by their names. As long as we can identify them by their area of activity toward you then you can cast them in Jesus' Name to The Throne of Judgement to be judged. This is because their names often describe their activity.

If you are attacked in an area often or have a weakness you are having trouble overcoming then you probably do have a need for deliverance in that area.

Remember that any emotion, sensation, thought, attitude or feeling that is negative is not from God but is a suggestion from a demon

playing on attitudes, memories, hurts or weaknesses in these areas in you.

God never tempts you but has to allow Satan too if Satan has a right to attack you but even then God limits the attack (1Cor 13:10) and if correctly dealt with God uses it to mature you more as a Christian.

Satan only has a right to oppress you if you accept what he suggests you do.

Whenever I have any wrong thought, image, sensation, feeling or emotion, anything against The Kingdom of God, I command the demons behind it, in Jesus' Name, to leave and go to The Throne of Judgement to be dealt with, and ask The Holy Spirit to replace them. I preferably use the five steps to do so in case I need any deliverance.

Things you are not steward of

To remove Satan from others or objects Name what you are removing or attacking then use steps 3-5 of the five steps.

Sometimes you can only bind demons until the person is willing to do what is necessary to be free.

You can bind demons and hinder their plans anywhere in the world and newspapers are a good source to see what to do to hinder the work of Satan.

In the case of non-Christians you should not cast their demons out but bind their activity towards the non-Christian and punish them for doing it.

I deal with this later.

In summary regarding areas you are steward of:

If the thought is from God, you obey it.

If the thought is from you, ensure it is given to God or is dealt with as He tells you to. There may also be a need for deliverance in an area.

If the thought is from Satan then do what you need to do to cast Him in Jesus' Name to The Throne of Judgement to be dealt with, preferably using the five steps. If deliverance is not needed then use steps one, three to five of the five steps.

The key is to take the thought, emotion, feeling or sensation captive to Jesus (2 Cor 10:5). In other words the demon placing the thought in your mind, sensation, feeling or emotion on you is cast out in Jesus' Name, to The Throne of Judgement to be dealt with because he cannot cause you to sin because you have given it to Jesus to be Lord of.

Just resisting the thought does little to remove the temptation as the demon is always there waiting to attack you in that area. It is capturing the source of it (the demon) and evicting it that removes the temptation.

We are at war

Because you are born in enemy territory you are at war because the enemy always seeks to attack and capture you so you are either fighting this war or are a victim of it. There is no in between. You are either on one side or on the other, even only by not doing anything to hinder Satan.

Every Christian is involved in this war by virtue of just being a Christian so needs to know how to defend themselves and attack Satan in this war.

Components of Sin

Sin has two components :

A lack of Love or indifference to someone (God or a person)

Bad stewardship of something or someone.

So if you are sensing either of these two things be careful as you may be on the verge of sinning.

Remember as it is a war you are expected to fight it and not pray to Jesus to do it for you. He gave you the delegation over Satan to use so why would He do something for you when He has asked you to do it.

He will help you in any way you need to fight this war but you must want too!

As it is a war the victory is only obtained when you endure until it is over. In other words fight or go under.

Spiritual warfare is necessary to maintain salvation

Every Christian is at war with Satan if only by the fact they live in his kingdom on earth and it is set up to attack Christians in any way it can.

You are in Satan's world so are always under danger of attack. You fight off Satan or be overcome by Him

You need to know how Satan attacks

How to defend against attacks of Satan and attack him back to protect the kingdom and the people in it - deliverance and evangelism are warfare – plundering the enemy's kingdom

Spiritual warfare is necessary to maintain salvation

Satan is always be fighting you, trying to get you to accept what he places in your mind or on your body so that you will become a part of his kingdom. You either fight him or end up in his kingdom by accepting in part or whole what he suggests because you have not rejected it.

Spiritual warfare involves rejecting what he attacks you with either directly or indirectly and removing the demons attacking you. It is part of pursuing holiness in that it removes the demons trying to make you live an unholy life.

You live in Satan's world and are only a traveller in it heading towards heaven. Around you is the environment he has had thousands of years to create which is designed to convince you to live in the way he desires you to live so that you will not have a relationship with Jesus and The Father so that you will be with Satan when you die.

So you need to know he he attacks and how to defeat his attacks.

Who is required to attack Satan?

Every Christian is to learn how to fight Satan and defeat him and his plans as well as rescue people

from his kingdom (evangelism) (Mark16:17-18, Matt 28:18-20).

They must know how Satan attacks so that they can realise when there is an attack of Satan and so defend against it.

The ministry of Jesus was designed to provide the truths to fight the lies of Satan and to restore people to The Father by removing them from Satan's Kingdom.

What to pray for non-Christians

You do not cast a demon out of a non-Christian for two reasons:

The Person belongs to Satan's kingdom so the demon has a right to be there

The person has not told the demon to go because they no longer want them (James 4:7 principle).

Also seven worse demons and the original one reenter as the soul (house) is clean and nothing has replaced them in it. I have seen this happen and had to live with the consequence of this in another Christian.

There are two strands to attacking demons in a non-Christian:

The demons blinding the people to their need of Jesus and What He has done for them and stopping them understanding the Gospel.

The demons causing them to do things that are against the laws of The Kingdom of God.

While you cannot remove them from the person you punish them for attacking the person because the person is a child of The Father. The demons have a right to stay there and act on the person but not to turn them away from the things of God.

So in the morning first thing command:

In Jesus ' Name I command for the next 24 hours the following:

In Jesus' Name I command every demon that:

Stops a person (name them) hearing about their need for Jesus and/or understanding what He has done for them or

Causes the person (Name them) to do anything against the laws of The Kingdom of God

to be punished (ask Jesus for the punishment to give to the demon and those replacing them).

In Jesus' Name I command any demon helping them or replacing them or coming in to help are to suffer the same punishment as the demon cast out at any time.

I also command any demons outside them or in other people helping these punished demons also to be punished in the same way that these demons are punished who are in the person.

I ask you Holy Spirit to fill their soul where you can so that demons cannot come back in,

In Jesus' Name I command that if any demons caught by these command still attack then their punishment each time is to be doubled.

Thank you Father, Lord Jesus, Holy Spirit

Amen.

During the day when you notice demonic activity in them non-Christian command everything in Italics above. The 24 hour part is not needed.

You need to know the Gospel to be able to explain it to them and you will find it here:

<http://nevillesalvetti.com/WYNJ.html>

and a different approach to explaining it here

<http://nevillesalvetti.com/simplegsopel.html>

When they become Christians then you need to have them pray the deliverance prayer

<http://nevillesalvetti.com/delprayer.pdf>

And the follow up advice should be given to them

<http://nevillesalvetti.com/delafter.pdf>

You need to teach them spiritual warfare as well as learn it yourself:

<http://nevillesalvetti.com/spiritualwarfareprimer.html>

They need to learn how to hear The Holy Spirit

<http://nevillesalvetti.com/Spirit%20Hearing.html>

After that then ask The Holy Spirit what to do or ask me.

Let me know how things are going when you are commanding the prayer for them and what other help you need.

Neville Salvetti

salvettina@bigpond.com

Conclusion

Now that you have seen how simple deliverance and spiritual warfare are you have no excuse for not doing them when Jesus asks you to do them.

Evangelism Spiritual warfare and deliverance were the three main ministries of Jesus and if you would be like Him then you will do these things.
