

God's Amazing Love

God is complete in Himself and does not need us.

We are irrelevant to His needs.

He did not need to make or give us life. But He did

He did not need to place us in a perfect environment but He did

He did not need to have a relationship with us but He did

When man rebelled He had every right to destroy mankind. But He did not

He did not need to meet man's requirements for restoration to the relationship man originally had with God. But He did.

He did not need to be born on earth so He could teach us what was required of us. But He did.

He did not need to die in our place to meet God's requirement for restoration. But He did.

He did not need to delegate Authority to us so we could stand against His enemy. But He did

He does not need to provide for our needs on earth and protect us. But He does.

He did not need to give us The Holy Spirit to help us live and serve Him as He requires us to do. But He did.

He does not need to provide a heavenly place for us to live in after death. But He does.

He does not need to have a relationship with us in this place . But He desires it.

He does not need to give us eternal life there and meet all our needs there. But He does.

He does not need to Love us as He does. But he does because He place such a high value on the relationship He has with you.

He does not need to do these things but He does.

How can you now doubt our Love for you\

Jesus
