

I asked Jesus what the purpose of life was.

He said:

“The purpose of life is to serve God! If you are doing anything else then you are not obeying Me.

I am your creator and King.

I made you to relate to me and serve me out of love out of love and appreciation for what I:

Have done for you

Am doing for you

Will do for you.

I have given The Holy Spirit to you to help you in this which is why His presence is in you so that communication is direct with Him and not at a distance so He can guide you in all you need to know to serve and relate to me. You need to develop this personal relationship with The Holy Spirit and He will guide you to develop it with Me and The Father.

Remember that salvation is a relationship with The Father and Myself guided by The Holy Spirit.

I have told people that many, who call themselves ‘Christian’, will not go up in the rapture because they know of and about me but do not know Me and The Father in an intimate, personal relationship. The demons know more about Me and my requirements than they do but they do not have a personal relationship with me and will never go to heaven because they did not repent when I gave them the chance too.

In a relationship people:

Interact

They talk with each other

They serve each other

They share their heart with each other

They spend time with each other.

The more intimate the relationship the greater the degree of each of these.

Are you seeking to develop your personal relationship with me?

To know me and My Will more and more in all you do?

Or do you only think about me and do not interact with me in a personal way.

I said that Salvation is a personal interaction with Me and The Father guided by The Holy Spirit! (Jn 17:3).

Do you have this personal, interactive relationship with me or am I just an acquaintance of your?”

Jesus

After I wrote this down I asked Jesus what to tell Christians.

He said to Tell them to live as they should.

That their salvation is an active, personal relationship with Me and The Father guided by The Holy Spirit and not just learning about Him or agreeing with what He taught and then doing it legalistically because the demons do that but do not have an active salvation relationship with Him and serve Him out of duty and not Love.

They are to evaluate how much they love Me and The Father and how they see myself and The Father.

That they are responsible for what they believe and do and will have no one else to blame if they do not at least try and develop this relationship.

The Father and I so all we can to help them develop this relationship so that they can be in heaven with us.

All I ask is that people wholeheartedly try to develop this relationship and obey me. I do not look at results but at the attitude of the heart as they do things for me so that the only failure will be if you do not wholeheartedly try to Love Me or The Father and do My Will so that the result of what you do is not important in the light of eternity but only the attitude you do it in.

He then said:

Salvation is a rescuing from the kingdom of darkness (Satan) hell, to the Kingdom of Light (Jesus) which is The Kingdom of God.

As this occurs you are redeemed so you can enter into a personal relationship with each member of The Trinity.

You are declared to be in a righteous (correct) relationship with God who then Sanctifies you by declaring you are His and a citizen of His Kingdom.

To maintain this relationship you need to pursue:

Lordship (making Jesus Lord of all you do)

Holiness (rejecting all that is not of God)

Stewardship (correctly looking after all God gives you to care for Him. This is important as He owns everything and we are only stewards of what He gives us to care for Him}

It is all founded on Love for Jesus, The Father and The Holy Spirit as all else flows from that. This is why Love is the first fruit of The Spirit as all the other fruit will be in place if you have the correct attitude of Love toward others.

He then said "I provide all you need to do these things but you must want to see them and do them.

The Holy Spirit is always there to help and guide you so that you have no excuse because I will never ask you to do more than you are able to and will train you for what I ask you to do.

Remember in pure love there is no fear or doubt. So if you have either of these in relationship to how my Love is expressed towards you then you need to examine your understanding of My Love and see where it is wrong.

I have called you with an everlasting Love and have done this in mercy and kindness.

Do not fear me and My Love. Fear not knowing My Love so that you cannot express it correctly"

Jesus
